

Spring/Summer Maintenance Internship

Part-Time

Apply now!

The Elizabeth River Trail Foundation seeks an enthusiastic intern to assist with our maintenance, landscaping, and beautification efforts on the trail. Interns are needed to help with litter clean up, graffiti removal, and trail safety alerts, help with ongoing maintenance of the managed meadow, Plum Point Park, watering trees at the fitness course, future planting projects, and more. Tasks also include evaluating our wayfinding signage and adding blazes along the trail.

This internship is perfect for college students majoring in Parks, Recreation and Tourism, environmental studies, conservation, landscape design, or related fields. Riding to events is encouraged when possible, and access to an automobile is a bonus. Some heavy lifting is required, but we promise it'll be fun. Meet lots of new people in Norfolk and share your love for the trail while learning the basics of a non-profit organization. Most weeks will be 10-15 hours. Construction skills are a bonus!

- Assist with litter control, creating educational opportunities regarding litter.
- Assist full-time staff with day-to-day operations and reviewing Trail Ambassador reports.
- Conduct trail maintenance.
- Assist with wayfinding phase 2 signage and blazes.
- Manage beautification and landscaping.
- Assist other community partners with projects as needed.
- Intern period: flexible

Send a letter of interest and resume to hello@elizabethrivertrail.org with Internship in the subject line.
